## REPORT OF BUDGET COMMITTEE

---

To the Legal Voters of the Town of Wolfeboro:

Your Budget Committee has the honor to submit the following report, and the budget of the Town of Wolfeboro, Wolfeboro Fire Precinct, Wolfeboro School District, and the Wolfeboro Water and Sewer Departments for the fiscal year ending January 31, 1942.

### Public Hearings

The Budget Committee held one hearing February 7th, 1941, notice of which was duly advertised in the Granite State News January 31, 1941.

### Town Debt

During the year 1940 there was paid \$8,151.29 on the principal of the town debt. This leaves a debt at the present time of \$117,500.00 which included the sewer bonds of \$60,500.00. During 1941 \$7,000.00 of this debt will be retired, leaving a balance in 1942 of \$110,500.00. The sewer bonds will be retired and the interest on them paid from the income of the Water and Sewer Departments. Therefore, the retirement of the sewer bonds does not affect the tax rate.

### School Budget

The School Board, in submitting their budget, which was approved by the Budget Committee, ask for an increase of \$628.71 over the amount appropriated last year. This increase is caused by automatic salary increase of \$150.00 and also payment of \$1,000.00 on the notes for the sprinkler system which was installed in the summer of 1940. There were savings made on several items of the school operation, resulting in a saving in operating cost of \$429.29.

The crowded condition of Carpenter School has become a problem which will eventually necessitate

establishing an extra room with an additional teacher. For this year, however, the school board plans to operate with the present teaching staff.

### **Water and Sewer Commissions**

The Water Commissioners having assumed the management of the Sewer Department in compliance with an act of the Legislature have now become Water and Sewer Commissioners, but the accounts of each department are kept separate.

### **Water Department**

During the year the commissioners collected \$10,764.14 on 1940 bills and \$2,984.36 on old accounts, totalling \$13,748.50, against an estimated income of \$14,500.00 for water rents. The Budget Committee wishes herewith to compliment the commissioners on their splendid performance. Their total income was slightly less than estimated, and their expenditures, due to unforeseen new construction were slightly increased. However, the actual surplus at the end of the year was \$5,997.24 against an estimated surplus of \$6,717.66. The outstanding balance on water bonds is \$45,000.00 which is being retired at the rate of \$3,000.00 per year from operating revenue. The department is making necessary replacements of old hydrants each year, so that eventually all of our hydrants will be modern.

### **Sewer Department**

The commissioners were authorized at the last town meeting to advance funds from the Water Department to the Sewer Department to meet the necessary operating expenses in excess of the revenue of the Sewer Department. At the present time there are 174 sewer entrances. The total income of the department was \$2,673.03 and expenses were \$5,420.71, showing a deficit of \$2,747.68. It is expected that during 1941 about 40 new entrances will be made increasing

the income of the department from rental fees approximately \$600.00.

The expenses of the department will also be slightly increased so that the anticipated deficit next year will be approximately \$2,542.00. The installation and operation of the Sewer Department has complied with state law which prohibits the pollution of Lake Winnepesaukee.

### **Precinct**

The Precinct Commissioners have again kept within their budget and have made repairs and alterations in the factory buildings, in addition to maintaining the Fire Department in such an efficient manner that it is now recognized as one of the best town Fire Departments in the State.

The Budget Committee wishes to compliment the firemen on their splendid work which has kept our fire loss at a minimum.

### **Public Welfare**

The cost of public welfare in 1940 increased \$1,804.00 over the cost in 1939. This was caused largely by one hospital case which could not be taken care of in Wolfeboro and necessitated sending the patient to Hanover, at a cost of over \$1,100.00. The board and care of children and adults is decreasing, while the cost of old age assistance remained the same as the year previous.

The Budget Committee after conference with the overseers of the poor estimate that the cost for 1941 can be held at \$6,450.00 in comparison with \$8,638.00 spent in 1940.

### **Highways**

The cost of maintaining our highways was slightly increased last year owing to conditions beyond the control of the highway agent who as usual watched his costs and maintained our roads in excellent condition.

As always there were many requests for funds to be expended for construction of Town roads. The Budget Committee carefully considered them all and recommend certain roads for direct appropriations. The others will have T. R. A. funds laid out on them.

### **Municipal Electric Department**

The Electric Department furnished current to the town for street lights, and municipal buildings, at a cost of \$1,000.00 for the year. For this purpose 149,641 K.W.H. of electricity were produced, which would have cost Wolfeboro \$8,828.81 if it had been billed at the rate other New Hampshire towns have to pay. This generous action of the Electric Department results in a saving of approximately \$2.35 per thousand on the tax rate.

The Electric Commissioners feel that the Town should pay at least the cost of fuel and engineers' labor, therefore they have asked that the Town appropriate \$1,500.00 for street lights and municipal buildings.

They will, however, during the year, reduce the rate to consumers, to \$5.00 for the first 100 K.W.H. from the present rate of \$5.30.

Wolfeboro's power plant is frequently pointed out by authorities as an example of a well-operated and efficient municipal plant.

### **Special Requests**

The Budget Committee has carefully considered all requests which called for the spending of public funds. We submit herewith the list of appropriations which we recommend, including Articles 7 and 8 of the 1941 Town Warrant.

### REPORT OF THE LIBRARIAN

To the Board of Trustees of the Wolfeboro Town Library:

Gentlemen:

The report of the librarian for the year ending February 1, 1941, is herewith presented.

The changing interests of a community are recorded in the work of its public library. It today must have books on winter sports, dramatics, the industrial arts, and a good supply of material on the European situation.

This library serves a large summer group, and there must be stories for reading to the boys and girls at the fireside, and books for nature study. The supplementary school reading lists create a demand for classic literature.

The present day custom of borrowing from the larger libraries makes it possible for this library to meet the most of its varied demands.

The Bookmobile which was given to the state by the Federation of Woman's clubs makes regular calls at this library, and at the schools at East and South Wolfeboro.

In July, Miss Paine of the library staff attended the summer schools for librarians at the University of New Hampshire. The entire staff now hold State certificates of qualification for their work.

The circulation for the year has been 27,159 books and magazines, of these classes fiction, 16,606, non-fiction, 5,220, children's books, 5,333. Three hundred and nine new cards have been issued. Largest day's circulation, 201 books, smallest 31.

The year records the largest accession of books, 402. Of these 84 were contributed.

On January 4, Dr. Fred E. Clow of the Board of Brewster Trustees, passed away. Dr. Clow loved books and libraries, and his special interest in the Brewster and Town libraries was manifest over a long period of time.

Judge William J. Britton has been elected to fill the vacancy.

The librarian would express appreciation of those who are so generously contributing to the library, and of the faithful work of her assistants; she would also thank the Trustees for their advice and cooperation.

Respectfully submitted,

ELIZABETH BREWSTER,  
February 1, 1941. Librarian.

### **SUPERINTENDENT'S REPORT OF THE SEWER DEPARTMENT**

In the Sewer Department we have connected 55 new services during 1940, making a total of 174 running into the new system.

On Pine Street we ran laterals to each house about one-half of which are already connected to the main sewer.

On Factory Street we had to change all the pipes that ran into the old sewer, due to the building of the new road.

In regards to the surface water running into the Pumping Station we have done away with a large quantity of that by discontinuing several cellar and roof drains. We are hoping that within the next year practically all surface water drains will be taken out of the new sewer system.

We have had very little trouble at the Treatment Plant during the last year. In the Imhoff Tank we use from eight to 12 tons of lime a year.

Visitors are always welcome to inspect the Pumping Stations and Treatment Plant.

CHARLES LUCAS,  
Superintendent

### **SUPERINTENDENT'S REPORT OF THE WATER DEPARTMENT**

During the last year we have put in six new hydrants, including four replacements and two new locations.

On Clark Road we extended the 6-inch main about 100 feet to the house owned by Leon Roberts.

On Park Street we replaced the old one-inch pipe with two-inch galvanized steel to the extent of 450 feet.

On Willow Street we put in 350 feet of new four-inch pipe, replacing the old line which ran through the mill pond.

We put in a new two-inch pipe for the Goose Corner skating rink.

Last spring we cleaned the Reservoir out and re-cemented the bottom with a six-inch cap and the walls with a four-inch cap, which should last several years.

The road and boat house at Beach Pond were repaired, also the gate house on Elm Street. There is a path cut through the woods, about 150 feet wide from

the corner of Bay Street to Beach Pond for emergency cases.

There were over a dozen new services put in for new houses.

In regards to leaks we had several small ones which is to be expected. We had two bad breaks in the mains which were caused by the pipes being laid on solid ledges.

I wish, at this time, to thank the Water Commissioners for the full cooperation which they have given in the last year.

CHARLES LUCAS,  
Superintendent Water  
and Sewer Departments.

During the year two classes in Home Hygiene and Care of the Sick were taught by Miss LeMay. No First Aid classes have been held, but a large class is being formed, with especial emphasis on the type of First Aid necessary in skiing accidents; in fact, it is planned to qualify a Ski Patrol.

This year we have had two epidemics, whooping cough last spring, and grippe this winter. Fortunately neither led to serious results.

Our secretary, Mrs. John F. Goodwin, Jr., resigned and her place was taken by Miss Wilma Paine, a faithful and enthusiastic member of the Chapter. We are grateful to Mrs. Goodwin for the service she rendered us during her all-too-short incumbency, and we welcome Miss Paine into our "official family."

In lieu of our usual August Tag Day, an open-air concert (piano recital) was given by members of the

American Seminar, and the proceeds given to our Chapter, for local use. We also gratefully acknowledge the gift of \$125.00 for our War Relief Fund from the street fair given by the Ladies' Aid of Huggins Hospital.

Last May National Headquarters issued a general call for \$20,000,000 for European War Relief. Our assigned quota was \$1,000 which was later doubled. Thanks to the generosity of many individuals and organizations we succeeded in raising approximately \$1,700.

In early August the chairman met with an accident leading to a severe infection, and for three months he had nothing to do but "watch the world go by." He is very grateful for all that the officers and Chapter members did for him, and to all who helped carry on the Chapter activities.

Under the leadership of our Roll Call Chairman, Earle Walsh, our annual roll call was the best we have had in many years.

At Christmas the Chapter made its usual contribution to the fund for the Christmas baskets, annually distributed under the direction of Mrs. Clow and Mrs. Foster.

We also sponsored the Children's Christmas, so splendidly planned and executed by Mrs. Hart and her Rainbow girls, and the boys of the DeMolay.

Last summer Mrs. Speare and a dozen of her friends on Sister Island, Lake Wentworth, formed a little Red Cross sewing group, and 27 children's suits and dresses were made and shipped for War Relief. All through the last half of the year, too, much knitting of sweaters and socks has been done and already a large carton has been packed and shipped. We have finally signed up for the quota of garments assigned us and, under the competent direction of our Produc-

tion Chairman, Mrs. Thompson, the making of war relief garments is rapidly accelerating.

This report cannot be closed without reference to the irreparable loss we sustained on January 4th, 1941, in the passing of that splendid character, Dr. Fred Ellsworth Clow. A staunch friend of this Chapter, he was always ready to help it in every possible way. As physician, counsellor, and friend, he will be deeply mourned by all who knew him. "He was a man, taken all in all, we shall not see his like again." May the memory of his busy and useful life, provide the inspiration which shall carry this Chapter on to ever increasing usefulness.

F. E. MEADER,  
Chairman.

### HEALTH OFFICER'S REPORT

To the Board of Selectmen, Town of Wolfeboro, N. H.:

The report of the Health Officer of Wolfeboro for the past year can be but a routine statement of the usual activities of the department. No epidemic of note occurred; the level of health of the people is high; there have been few complaints of nuisances that menace health. The small number of nuisances called to our attention have been investigated promptly and in every instance corrected.

Samples from the milk supply have been furnished the State Laboratory and the standard shown has not been lowered. Water from Beech Pond is sent at regular intervals by the officer of the Water Department. As always no pollution has ever been shown.

The vaccination law has been followed, the school nurse, Miss Martin, having been particularly attentive to this requirement. Well-baby clinics have been held by the Bureau of Maternity, Infancy and Child Wel-

fare, and they have been well attended. Immunization against diseases other than smallpox is not as thorough as public health authorities desire, but the absence of diphtheria, typhoid and diarrhoeal diseases in babies is evidence of the fact that Wolfeboro has no serious problem of infection of water, or milk, and that there must be few, if any, carriers of these diseases.

The hospital has grown in usefulness during the years. The fact that it is an institution with the approval of the American College of Surgeons (by no means the rule in smaller communities), together with an earnest staff of well-trained physicians and unusually able surgeons, and a competent nursing staff, means much to Wolfeboro. It is unquestionably a factor in the large and growing summer population upon which the prosperity of this section depends so much.

The Wolfeboro Chapter of the American Red Cross has, as always, done a large share of the preventive and curative work in the community. Its aid to its many clients is invaluable. Not only is the public health nurse engaged in bedside nursing and educational work, but she is the social worker and the recipient of the perplexities of a large part of our people.

Twenty cases of whooping cough were reported to the office; a larger number doubtless received no attention. One case of trichiniasis, originating in another state, and five cases of mild chicken pox were reported to the state board of health. The common cold, ignored by the sufferer if at all possible, is still the cause of more lost time from school and from work than any other diseases. It will remain such, unless, or until some efficient measures of prophylaxis and control are developed.

FRED E. CLOW, M. D.,  
Health Officer.

20th December, 1940.

### AUDITORS' CERTIFICATE

We hereby certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Highway Agent, Trustees of Trust Funds, Town Library Treasurer, Collector of Water Rentals and Sewer Department, Justice of the Municipal Court and Forest Fire Warden, have compared their several accounts, vouchers and bank statements of funds on deposit, and find these accounts in agreement, and believe these reports to be a true account of the conduct of the town business for the year ending January 31, 1941.

ORMAN T. HEADLEY,  
ROBERT J. IRISH,  
Auditors of the Town of Wolfeboro.

Facsimile of the Original Charter of the Town of Wolfeboro

George the Third by the grace of  
New Hamp<sup>sh</sup> } of Great Britain France and Ireland  
Defender of the Faith &c.

To all People to whom these  
come Greeting.

Whereas our loyal Subjects inhabiting  
Tract of Land within our said Province of New Hampshire  
known by the name of Wolfeborough have humbly petitioned an  
request that they may be erected & Incorporated into a Township  
enfranchised with the same powers and privileges with other Towns within  
our said Province, and which they by Law hold and enjoy; And  
appearing unto us to be conducive to the general good of our said  
Province as well as to the said Inhabitants in particular by maintaining good  
encouraging the culture of the Land, that the same should be done.

Know Ye therefore that we of our special grace certain  
knowledge and for the encouragement and promotion of the good  
Purpose aforesaid by & with the advice of our Trusty and well  
John Wentworth Esquire our Governor and Commander  
in Chief of our Council for said Province of New Hampshire  
have decreed and obtained, and by these presents for us our heirs  
executors do will and ordain that our loving subjects residing  
in Tract of Land aforesaid, or that shall hereafter reside  
approve thereon; the same being bounded and bounded as follows  
beginning at the North easterly corner of a Tract of Land  
wherein, then running North Forty eight degrees  
upper line of a Tract of Land called Middle's  
Simons falls Town or East. 15° or as those

these Presents are declared & ordained to be a Town Corporate  
are hereby Created & Incorporated into a Body Politick, & Corpor-  
to have Continuance & Succession for ever by the Name of  
Wolffborough; with all powers, authorities, privileges, immunities  
and franchises, which any other Towns in said Province Law  
hold enjoy. — Always reserving to us our Heirs & Successors  
the full power & right of dividing said Town, when it shall appear  
necessary & convenient for the inhabitants thereof — also res-  
erving to us our Heirs & Successors All white pine Trees which  
are or shall be found, growing & being within & upon the said  
Tract of Land fit for the use of our Royal Navy —  
The said Inhabitants by these Presents, shall have and  
enjoy the liberty and Privilege of Holding an annual Fair  
& Mart within the said Town, which Fair shall be held  
and kept on the first Tuesday following the Twenty first  
Day of September Annually — Provided nevertheless  
and it is hereby declared that this Charter and Grant is or  
intended, and shall not in any manner be construed to  
affect the private property of the said within the same  
and as the several Towns within our said Province  
Laws in <sup>the</sup> of enabled & authorized to assemble  
only of the Voters present, to choose all Officers  
in Affairs as — the said Laws are declared —  
in Presents on

Held within the said Town on the Twenty eighth Day of September  
instant, giving legal notice of the Time & design of holding said  
Meeting, after which the annual Meeting of said Town shall  
be held therein for the choice of said Officers & the purposes aforesaid  
on the last Tuesday in March annually

In Testimony whereof we have caused the Seal of our  
said Province to be hereunto affixed. Witness our Trusty & well  
Beloved John Wentworth Esquire <sup>our</sup> Governor and Commander in  
chief aforesaid, the Twenty first day of August in the Tenth year
